Treasurer's Report- Motion was made and seconded. Carried.

Delinquent Tax Collector- There was no report, but Deb mentioned there is only one delinquent tax remaining.

Road Commissioner- Don asked if the mowing had been paid, which it has. We have not received a bill for chloride yet. He suggested we should budget \$12,000 in the future to be able to do the whole road. Wayne also mentioned there is an area that needs limbs cut back by the guardrail. Also, Tom's new driveway will need a culvert.

Old Business- David has contacted VLCT twice and left voicemails regarding #39. He will try again. The new website is almost ready to go and is very user friendly. He expects in the future to offer residents to be able to license their dogs and pay their taxes. Also, the camper has reappeared but the certified letter to them was returned by the Post Office as deliverable. Another letter will be sent.

New Business- Deb mention that the tax bills were mailed today.

A thank you letter was received from SEVCA for our donation.

Also a big thank you to Bud for his work with the Grants in Aid program (SAM.gov). Registration is completed for this year.
